Statement of Intent

The Heartwood Learning Trust believes that, in order to facilitate teaching and learning, acceptable behaviour must be demonstrated in all aspects of school life. The Trust is committed to:

- Promoting positive behaviour through recognition and reward.
- Promoting self-esteem, self-discipline, proper regard for authority and positive relationships based on mutual respect.
- Ensuring equality and fair treatment for all.
- Promote early intervention.
- Praising and rewarding positive behaviour.
- Challenging unacceptable behaviours.
- Providing a safe environment free from disruption, violence, discrimination, bullying and any form of harassment.
- Developing positive relationships with parents/carers.
- Developing positive relationships with pupils.
- Promoting a culture of praise and encouragement in which all pupils can thrive.

The Trust acknowledges that behaviour can sometimes be a result of educational needs, mental health concerns, or other needs and vulnerabilities and will address these needs via an individualised graduated response.

To help reduce the likelihood of behavioural issues related to social, emotional or mental health (SEMH), the Trust aims to create a safe and calm environment in which positive mental health and wellbeing are promoted and pupils are taught to be resilient. The Trust aims to promote resilience as part of a whole-school approach using the following methods:

- **Culture, ethos and environment** - the health and wellbeing of pupils and staff is promoted through the informal curriculum, including leadership practice, policies, values and attitudes, alongside the social and physical environment
- **Teaching** - the curriculum is used to develop pupils' knowledge about health and wellbeing
- **Community engagement** - the schools/academies in the Trust proactively engage with parents/carers, outside agencies and the wider community to promote consistent support for pupils' health and wellbeing.

Where vulnerable pupils or groups are identified, provision will be made to support and promote their positive mental health. The Trust's Student Mental Health and Wellbeing Policy and Special Educational Needs and Disability (SEND) Policy outline the specific procedures that will be used to assess these pupils for any SEMH-related difficulties that could affect their behaviour.

Our Trust Vision

To provide environments where children and young people can thrive.

Life in all its fullness - a place to thrive

Our ambition as a fully inclusive Trust of Church of England schools/academies, including an ecumenical Anglican/Methodist school and community schools/academies, is for all our learners to flourish and to thrive in all aspects of their academic and personal development on their personal spiritual journey; to experience “life in all its fullness”, through our Trust values of Respect, Teamwork and Kindness.

Our Trust vision is closely aligned to the Church of England Vision for Education, of ‘life in all its fullness’ at its heart, for the common good of the whole community. We wish as a Trust to;

- Educate for wisdom, knowledge and skills: enabling our learners to build confidence and delight in seeking wisdom and knowledge and developing talents in all areas of life.
- Educate for hope and aspiration: to enable renewal, to support our learners to cope wisely when things go wrong, opening horizons and guiding learners to achieve their academic and personal goals.
- Educate for community and living well together: a core focus on positive respectful relationships in our schools, working in partnership in our communities and flourishing together.
- Educate for dignity and respect: for all our learners to respect the value and preciousness of each person, treating each person as a unique individual of inherent worth.

Our Trust vision is also aligned to the York Diocesan Board of Education (YDBE) vision of seeking to build flourishing communities in schools/academies, parishes and homes. We are part of the wider family of Diocesan schools/academies, churches and communities in the Diocese of York and enjoy working collaboratively together to further enhance the academic and personal development of young people.

Our Trust Values

Respect, Teamwork, Kindness

A respectful and inclusive community, with a culture of thankfulness and appreciation, where we celebrate equality and diversity.

High quality first teaching across all of our schools, in every learning session, without exception.

A broad and balanced educational offer which develops all pupils academically, practically, emotionally, socially and spiritually, leading to great outcomes.

Resilient, sustainable and ethical leadership at all levels of the organisation.

This includes rewarding pupils, or where necessary putting sanctions in place for those who fail to adhere to the school/academy rules, this can be both inside and outside of the school/academy.

4.1. Promoting good behaviour

The Trust promotes positive behaviours through recognising, praising and rewarding positive behaviours. Each school/academy should ensure that:

- They build and maintain positive relationships with pupils, built on respect.
- Pupils' achievements are recognised within, but also beyond the classroom environment.
- Positive learning environments are provided, where children feel safe and confident and are able to flourish.

4.2. Rewards

As a Trust we promote positive behaviour by recognising and promoting good behaviours, attitudes and achievements that meet our values and expectations.

The Headteacher/Principal at each school/academy is responsible for setting the arrangements for recognising positive behaviours, attitudes and achievements, based on the principles outlined in this policy. This is done through considering the age, maturity and understanding of the pupils at the school/academy. These systems are shared with pupils, staff and parents/carers to ensure a consistent and collaborative approach.

4.3. Sanctions

Staff within the school/academy will apply the appropriate sanctions to incidences of unacceptable behaviour as is set out in the school/academy's behaviour management procedures. This will also be in line with the Trust guidance to schools/academies.

Sanctions will be proportionate to the behaviours displayed, in accordance with the school/academy systems and procedures, and taking into account the pupil's age, SEND needs or any religious requirements.

**Please refer to Appendix A for further information.*

6. Pupil Support

- 6.1. The Trust recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.
- 6.2. The school/academy's special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met. Where necessary, support and advice will also be sought from specialist teachers, an

educational psychologist, medical practitioners and/or others, to identify or support specific needs. Where appropriate a risk assessment will be put in place to support the staff and pupils in managing potential situations where foreseeable. When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents/carers to create the plan and review it on a regular basis.

7. Safeguarding

- 7.1. The Trust recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection. We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm. Where this may be the case, schools/academies will follow their Safeguarding and Child Protection policies and procedures.

8. Social, Emotional and Mental Health (SEMH) Needs

- 8.1. To help reduce the likelihood of behavioural issues related to SEMH needs, the school/academy will create a safe and calm environment in which positive mental health and wellbeing are promoted and pupils are taught to be resilient.
- 8.2. The school/academy will promote resilience as part of a whole-school approach using the following methods:
- Culture, ethos and environment – the health and wellbeing of pupils and staff is promoted through the informal curriculum, including leadership practice, policies, values and attitudes, alongside the social and physical environment
 - Teaching – the curriculum is used to develop pupils' knowledge about health and wellbeing
 - Community engagement – the school/academy proactively engages with parents/carers, outside agencies and the wider community to promote consistent support for pupils' health and wellbeing
- 8.3. All staff will be made aware of how potentially traumatic adverse childhood experiences, including abuse and neglect, can impact on a pupil's mental health, behaviour, and education. Where vulnerable pupils or groups are identified, provision will be made to support and promote their positive mental health. The Trust's Social, Emotional and Mental Health (SEMH) Policy outlines the specific procedures that will be used to assess these pupils for any SEMH-related difficulties that could affect their behaviour.

9. Sexual Abuse, Harassment and Discrimination

- 9.1. The Trust does not accept any form of sexual abuse, harassment and discrimination, including sexual harassment, gender-based bullying and sexual violence. The Trust's procedures for handling child-on-child sexual abuse, harassment and discrimination are detailed in the Trust's Child-on-Child Abuse Policy.
- 9.2. The Trust will work with all schools/academies to ensure that all incidents of sexual harassment and/or violence is met with a suitable response, and never ignored. Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.
- 9.3. The school/academy will respond appropriately to any sexual harassment complaints inline with the Trust's Safeguarding and Child Protection Policy. Disciplinary sanctions for incidents of sexual harassment

will be determined based on the nature of the case, the ages of those involved and any previous related incidents.

- 9.4. Where the school/academy is responding to a report of sexual violence, the school/academy will take immediate steps to ensure the victim and other pupils are protected. The DSL will work closely with the Police, and any other partner agencies as required, to ensure that any action the school/academy takes, e.g. disciplinary sanctions, will not jeopardise any ongoing Police investigation.
- 9.5. The response to any incidents of sexual abuse and/or discrimination will be:
- Prompt
 - Proportionate
 - Considered
 - Supportive
- 9.6. The schools/academies within the Trust have procedures in place to respond to any concerns regarding children's safety or wellbeing. These include clear processes for:
- Responding to a report
 - Carrying out risk assessments, where appropriate, to help determine whether to:
 - Manage the incident internally
 - Refer to early help
 - Refer to children's social care
 - Report to the Police

10. Smoking and Controlled Substances, including Vaping

- 10.1. In accordance with part 1 of the Health Act 2006, all schools/academies in the Trust are smoke-free and vape free environments. Parents/carers, visitors, staff and pupils are instructed not to smoke or vape on school/academy grounds. Pupils are not permitted to bring smoking materials, vaping materials, or nicotine products into the school/academy.
- 10.2. The Trust will not accept illegal drugs, legal highs and other controlled substances on any of its sites. Where incidents with pupils related to controlled substances occur, the school/academy will follow the procedures outlined in the Trust's Behaviour Policy and Safeguarding and Child Protection Policy.

11. Mobile Phones

- 11.1. The schools/academies within the Trust recognise that mobile phones, including smart phones, are an important part of everyday life for our pupils, parents/carers and staff, as well as our wider community. Whilst we are able to see the benefits provided by mobile phones, as a trust we are concerned by potential:
- Risks to child protection
 - Impact on mental health
 - Over reliance on mobile technology
 - Impact on learning in the classroom
 - Reduced physical socialisation
 - Risk of theft, loss, or damage

- 11.2. Consequently, the Trust will not accept the sight or use of mobile phones on its school/academy sites. The appearance or use of mobile phones on the school/academy site will be sanctioned in line with the school/academy's behaviour procedures. *Please refer to Appendix A for further information.*

12. Prohibited Items, Searching Pupils and Confiscation

- 12.1. Headteachers/Principals and staff authorised by them have a statutory power to search pupils or their possessions, without consent, where they have reasonable grounds for suspecting that the pupil may have a prohibited item. This must be undertaken by two members of staff who have been trained and at least one colleague must be of the same gender as the pupil to be searched. Best practice is for both colleagues to be of the same gender as the pupil being searched. The prohibited items* are:
- Knives or weapons.
 - Alcohol.
 - Illegal drugs.
 - Stolen items.
 - Tobacco and cigarette papers and vaping equipment
 - Fireworks.
 - Pornographic images.
 - Any article that the member of staff reasonably suspects has been, or is likely to be, used:
 - To commit an offence; or
 - To cause personal injury to any person, including the pupil themselves; or
 - To damage the property of any person, including the pupil themselves.

***The model list above was created using the DfE's 'Searching, screening and confiscation' guidance. To search for any items not listed here, staff will require the consent of the pupil being searched.**

- 12.2. Pupils may refuse to participate due to some of the following reasons
- They are in possession of a prohibited item;
 - They do not understand the instruction;
 - They are unaware of what a search may involve; or
 - They have had a previous distressing experience of being searched.
- 12.3. Schools/academies must keep records of the search, including the reason for the search, who conducted the search and the outcome.
- 12.4. Schools/academies should reinforce the whole-school approach by building and maintaining positive relationships with parents/carers. Parents/carers should always be informed of any search for a prohibited item and the outcome of the search as soon as is practicable. A member of staff should inform the parents/carers of what, if anything, has been confiscated and the resulting action the school/academy has taken, including any sanctions applied.
- 12.5. Schools/academies must analyse the data generated by this record keeping and identify if "searching is falling disproportionately on any group or groups [and] should consider whether any actions should be taken to prevent this".

- 12.6. ***Searches that fall outside of the normal remit of the school/academy must be approved by the Trust Safeguarding Lead before any commencement begins.***

13. Behaviour Off School Site

- 13.1. Sanctions may be applied where a pupil has misbehaved off-site when representing the school/academy*. This means misbehaviour when the pupil is:
- Taking part in any school-organised or school-related activity (e.g. school trips)
 - Travelling to or from the school/academy
 - Wearing school/academy uniform
 - In any other way identifiable as a pupil of our school/academy
 - Sanctions may also be applied where a pupil has misbehaved off-site at any time, whether or not the conditions above apply, if the misbehaviour:
 - Could have repercussions for the orderly running of the school/academy
 - Poses a threat to another pupil or member of the public
 - Could adversely affect the reputation of the school/academy

**Please refer to Appendix A for further information.*

14. Power to Use Reasonable Force

- 14.1. Members of staff have the power to use reasonable force to prevent pupils committing an offence, injuring themselves or others, or damaging property, and to maintain good order and discipline in the classroom.
- 14.2. Headteachers/Principals and **authorised school/academy** staff may also use such force as is reasonable given the circumstances when conducting a search without consent for knives or weapons, alcohol, illegal drugs, stolen items, tobacco and cigarette papers, fireworks, pornographic images or articles that have been or could be used to commit an offence or cause harm.

15. Malicious Allegations

- 15.1. Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school/academy will discipline the pupil in accordance with this policy.
- 15.2. Where a pupil makes an allegation against another pupil and that allegation is shown to have been deliberately invented or malicious, the school/academy will discipline the pupil in accordance with this policy.
- 15.3. In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school/academy (in collaboration with the Local Authority Designated Officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.
- 15.4. The school/academy will also consider the pastoral needs of staff and pupils accused of misconduct. Please refer to our Safeguarding and Child Protection Policy, the Child-on-Child Abuse Policy and the

Managing Allegations Against Staff Policy or more information on responding to allegations of abuse against staff or other pupils.

16. Monitoring and Review

- 16.1. This policy is reviewed annually by the Distinctiveness and Personal Development Committee.
- 16.2. Any changes made to this policy by the Trust will be communicated to all members of staff. All members of staff are required to familiarise themselves with all processes and procedures outlined in this policy and the local procedures.
- 16.3. The next scheduled review date for this policy is listed on the cover page of the policy.

BEHAVIOUR POLICY	
Localised School Based Procedures	
School Name:	The Compass Academy
Headteacher/Principal:	Claire Horne
Behaviour Lead:	Kim Brown
Designated Safeguarding Lead:	Kim Brown
Implementation Date: <i>Inline with policy approval</i>	May 2024

Introduction

In line with our Trust-wide Behaviour Policy, localised procedures have been established to ensure that systems and procedures reflect the school/academy setting.

The localised procedures for the school/academy setting focuses on the following key areas:-

- Rewards System
- Sanctions System

Should you have any concerns or questions relating to the localised procedures, in the first instance, please contact hello@com.hlt.academy

Rewards System
Relates to item 4.2 in the Trust Behaviour Policy
<p>We recognise the importance of establishing a culture of positive behaviour and a complementary rewards framework which supports a calm, orderly and positive teaching and learning environment for all.</p> <p>The 'conduct' framework encourages the active and direct involvement of as many staff and as many pupils as possible. It is essential that all students regardless of ability, or protected characteristic(s) are given the opportunity to operate within this framework.</p> <p>The 'conduct' system runs through all classroom based and extra-curricular activities where pupils are rewarded with points which are then converted and 'cashed in' for tangible rewards. All rewards will be logged at the point of issue and centrally stored to enable a full pupil profile over time. Each point earned by a pupil has a monetary value (1 point = 1p). This can be used towards specific prizes which students can 'cash in' at specific points during the academic year. Positive conduct score is limited to 50 points per day.</p> <p>Rewards System - Lesson Based and Extra-Curricular Activities</p> <p>Points can be awarded to students by way of the following system:</p>

Arriving to School

- 1 Point - Arriving on time.
- 1 point - Arriving in the correct uniform.

Lesson based

W.A.R scores

At the end of each lesson, pupils are assigned points for; Work; Attitudes and Relationships.

0 - Unacceptable

1 - Poor

2 - Good

3 - Excellent

Pupils may also earn a 'bonus point' should they give an outstanding answer or push themselves out of their comfort zone. E.g. read aloud.

Extra-Curricular

Points may also be awarded for student achievement recognised by staff at all levels.

System	Awarded for	Weighting
Green Slips	Above and beyond positive behaviour. E.g. clearing a table at lunch time, supporting another student.	3 points
Blue Slip	Awarded in recognition for British Values, Citizenship, Academy values.	5 points
Junior SLO/Prefect	Additional responsibility	50 points extra per active day

Sanctions System

Relates to item 4.3, 4.4 and 5 in the Trust Behaviour Policy

Although we recognise the importance of celebrating the achievements of our pupils, it is also important that we have systems in place to monitor and challenge any negative behaviours that may arise in the academy. All of our staff are trained in the use of trauma informed approaches. Staff will approach crisis behaviours and dysregulation with understanding and empathy. Staff will use their professional judgements when imposing sanctions with the best interests of the pupil and the wider school community at the heart of decision making.

Basic Expectations of Student Behaviour

Around the Academy pupils should:

- Be polite and show respect for other people
- Do as they are asked by members of staff – first time, every time
- Wear school uniform correctly at all times
- Respect the Academy
- Keep to their designated areas, as instructed by members of staff
- Adhere to health and safety requirements

When moving around the academy pupils must abide by the academy rules.

Break and Lunch times will be arranged by the academy in a manner that supports the reduction of risk. All pupils will receive clear guidance as to the arrangements for social times and the expectations of them during these times.

Pupils will be required to leave the academy premises in a calm and orderly manner abiding by the academy health and safety requirements at all times.

Restorative Practice

The aim of Restorative Practice is to find a resolution to conflict that focuses on understanding and empathy to 'put situations right'. At The Compass Academy Restorative Practice plays a big part in the way that we expect both staff and pupils to conduct themselves. We will seek to use Restorative Practice at each stage of the sanctions pathway alongside each of the steps as a way to help pupils reflect upon their actions. The key message behind Restorative Practice is that 'actions have consequences'.

Generally, Restorative Practices can happen ways:

1. Pupil to staff - conversation (1:1 or mediated by key staff)
2. Pupil to pupil - Restorative Practice session (mediated by key staff)
3. Staff to pupil - conversation (1:1 or mediated by key staff)

Sanctions Pathway within the Classroom

It is essential that all pupils, parents/carers, and members of staff understand this framework and its consequences. At all times the intention of the procedures is to bring a halt to unacceptable behaviour/conduct and return the pupil to engage in positive learning. Each member of staff will use their judgement to ensure sanctions are used appropriately.

The Compass Academy operates a number of sanctions which are designed to discourage pupils from making poor behaviour choices and provide reflection upon previous decisions and encourage pupils to make better choices moving forward. If a pupil's behaviour is unacceptable the sanctions pathway will begin.

Before the sanction pathway begins a pupil will be given a clear verbal warning which will explain the unwanted behaviour and the reasons it should not continue. Staff should model and clearly explain the desired behaviour. If a pupil continues to not meet expectations they will receive a red slip which will be recorded on their behaviour log.

Red Slip (-15 conduct score)

Following their verbal warning any pupil who continues to behave in an unacceptable manner will be given a red slip. This will be recorded by the teacher and will be taken into consideration when WAR

scores are issued. Staff should only inform students they are receiving a red slip if they deem it will have a positive impact. Negative conduct score is limited to -25 points per day.

Pastoral Intervention

Pupils who continue to behave in an unsatisfactory manner, despite previous sanctions will receive a second red slip and teacher/tutor will ask for pastoral intervention. This will involve the pupil being removed from the classroom by a member of the pastoral team, possibly the tutor, and given clear reminders of classroom expectations and possible positive and negative consequences of actions.

Removal and Detention

If the teacher comes to the decision that a pupil is persisting in disrupting the lesson, despite clear warnings, they will request 'removal' for the student by senior members of the pastoral team.

Any pupil who has reached this stage will have already caused considerable disruption and inconvenience so they should be removed from the situation. At this point, the student will be issued a detention.

Although most behaviours which reach this level will have been cumulative and will have been dealt with by working through the sanctions step by step, there may be occasions when the teacher moves straight to this sanction. Any pupil who has been removed from a lesson will have work from that lesson that they will need to complete. This work should then be arranged to be completed at time to suit the teacher either at lunch or the end of the day. If the pupil refuses to go with the pastoral team within a reasonable timeframe this may escalate to a further sanction.

Sanctions Pathway for Beyond the Classroom

In School Reflection

Where possible, an in school reflection is used as a sanction that is arranged the previous academic day with pupils and parents/carers informed in advance. An in school reflection will involve a pupil working with a dedicated member of staff in a small room away from the main population. It could also include working with a different group. Should there be a need, lunch and break will take place in this area and the pupil will not be allowed any contact with their peers throughout this period of time.

ALL IN SCHOOL REFLECTIONS ARRANGEMENTS MUST GO THROUGH THE PASTORAL TEAM

Fixed Term Suspension

Suspensions may be used for pupils who have completed all of the other sanctions and still continue to disrupt the learning of others. This sanction is meant as the last resort before possible permanent exclusion.

Fixed term suspensions may be issued for a range of serious or major behaviour incidents. The length of the suspension will depend upon the severity of an incident or a student's cumulative behaviour including, but not being limited to:

- Threatening or intimidating behaviour to staff.

- Assault on a pupil or staff member
- Racist, homophobic or disablist language towards a student or a member of staff.
- Persistent bullying.
- Possession of or being under the influence of illegal substances.
- Possession of a weapon on school premises.

The decision to suspend is the Principal's decision. Once this decision has been taken parents/carers should be contacted, and if possible, the pupil should be collected immediately.

A reintegration meeting involving the pupil, parent or carer and the appropriate staff member should take place before the pupil returns to school.

- Details of the timing of the meeting will be contained in the suspension letter.
- A written record will be kept of discussions during the meeting.
- The meeting should review the reasons for the suspension, set targets for behaviour and detail the pupil, parent/carers and staff member's voice.
- Interventions to support the pupil in amending their behaviour will be offered.

Bespoke Timetable offer

A bespoke timetable may be formulated to support the re-engagement of a child in learning and education. A bespoke timetable may include: periods of home education, interventions or out sourcing external support. Pupils on a bespoke timetable offer will be provided with appropriate learning activities coordinated by subject teachers/relevant staff.

Permanent Exclusion/Placement End

Permanent exclusion from school or an end to a placement is a last resort when all attempts to modify a pupils' behaviour have failed, he/she will not conform to school rules and their behaviour is having a serious impact on the learning of others. Prior to this action being taken the school should have involved a number of outside agencies. Permanent exclusions could also be used for serious incidents such as:

- Dealing in illegal substances
- Serious assault on another pupil or a member of staff
- Bringing a prohibited item onto school premises.

This decision can only be made by the Principal and then has to be ratified by the Governor's Disciplinary Committee.

Reports, Detentions and Uniform

Repeated behaviour issues will result in pupils being monitored via report, the level of report being linked to the frequency and seriousness of the behaviour issues presented:

- Tutor Report
- Link Teacher Report
- Pastoral Report
- Senior Leader Report

All reports will be communicated with the parents/carers.

Persistent Disruptive Behaviour:

Pupils who accrue a significant number of red slips, lesson removals and/or fixed term suspensions will be monitored by being placed upon behaviour report. The reports that may be used are:

Reports

Tutor report – Initial report for monitoring a pupil across all subject areas. This is tracked by the pupil's tutor who will apply additional praise and sanctions in line with pupil performance whilst on report. The report lasts a period of two weeks and must be sent to parents/carers on a daily basis.

Link Teacher Report – Initial report to monitor pupil behaviour and attitude by their link teacher. The link teacher will track this report and apply additional praise and sanctions in line with the pupil performance whilst on report. The report lasts a period of two weeks (or an identified number of sessions). This will be checked by the link teacher at the end of every day.

Pastoral Report – The pastoral lead will monitor a pupil's behaviour and attitude when the tutor/link teacher report has not been successful or when there has been a serious concern raised regarding a pupil's behaviour/attitude. A face to face parent/carer meeting or telephone conversation with the pastoral lead will be held prior to the report starting which will outline further support which may be needed at this stage such as a Pastoral Support Plan or referral to additional support. The report lasts a minimum period of two weeks. The report will be checked by the pastoral lead each day. The pastoral lead will apply additional praise and sanctions as a result of the pupil's performance whilst on report.

SLT Report – The member of SLT will monitor a pupil's behaviour and attitude when the pastoral report has not been successful or when there has been a serious concern raised regarding a pupil's behaviour/attitude. A face to face parent/carer meeting with the Senior Leader will be held prior to the report starting which will outline further support which may be needed at this stage such as a Pastoral Support Plan or referral to additional support. The report lasts a minimum period of two weeks. The report will be checked by the Senior Leader each day who will apply additional praise and sanctions as a result of the pupil's performance whilst on report.

Uniform

Pupils will have their uniform checked when they arrive at school. Pupils who are in the incorrect uniform will have the opportunity to borrow aspects of the school uniform which will then be returned at the end of the school day. If a pupil refuses to wear the uniform provided within a reasonable timeframe this will be dealt with as refusal. Should appropriate uniforms be unavailable or refused, parents and carers will be asked to bring it to the Academy. Pupils in incorrect uniform will be isolated until this is resolved.

Sanctions Tariff

It is intended that where possible all sanctions are dealt with consistently. By providing these guidelines to parents, pupils as well as staff, everybody is clear what RANGE of sanctions may be imposed for different types of inappropriate behaviour.

Please note that some of the school sanctions taken for some of these offences would go alongside the involvement of the police.

NB: these are guidelines and staff may feel it necessary to make modifications depending on particular individual cases.
