Introduction

Heartwood Learning Trust (HLT) are committed to ensuring that their schools/academies, central team, governors and Trustees operate in an effective and professional manner at all times. We strive to provide the best educational experience for our pupils and the wider community. We appreciate, at times, situations may occur which will require where individuals may wish to raise a concern or complaint. This policy provides details on our concerns/complaints will be handled should they arise.

Who can make a complaint?

This complaints procedure is not limited to parents or carers of children that are registered at the school. Any person, including members of the public, may make a complaint to the HLT about any provision of facilities or services that we provide. Unless complaints are dealt with under separate statutory procedures (such as appeals relating to exclusions or admissions), we will use this complaints procedure.

The difference between a concern and a complaint

A **concern** may be defined as *“an expression of worry or doubt over an issue considered to be important for which reassurances are sought”*.

This classed as an informal level in which we endeavour to resolve concerns without the need for a formal complaint. This informal element can be dealt with by subject teacher, pastoral lead, head of department or member of SLT (exc the Principal)*

A **complaint** may be defined as *“an expression of dissatisfaction however made, about actions taken or a lack of action”*.

Issues can be resolved informally, without the need to use the formal stages of the complaints procedure. Schools/academies and the central team within HLT take concerns seriously and will make every effort to resolve the matter as efficiently as possible.

If you have difficulty discussing a concern with a particular member of staff, we will respect your views. In these cases, the Headteacher/Principal will refer you to another Trust staff member. Similarly, if the member of staff directly involved feels unable to deal with a concern, the Headteacher/Principal will refer you to another Trust staff member. The member of staff may be more senior based in the same school/academy or, in some circumstances, from another Trust school/academy but does not have to be. The ability to consider the concern objectively and impartially is more important.

We understand however, that there are occasions when people would like to raise their concerns formally and stage 1 of this procedure provides this structure. In this case, HLT will attempt to resolve the issue internally, through the stages outlined within this complaints procedure.

How to raise a concern

A concern can be made in person, in writing or by telephone. They may also be made by a third party acting on behalf of a complainant, as long as they have appropriate written consent to do so. The subject of the concern must be clear in order for the member of staff to respond effectively.

How to raise a formal complaint

A complaint should be made using the [Google Form](#) (example form can be found within [Appendix A](#)). Should a formal complaint be received directly by the schools/academy or associated member of the Local Governing committee, this will be forwarded to the central team.

In accordance with equality law, we will consider making reasonable adjustments, if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations. If you require further support, please contact the relevant school/academy office or, if you would prefer, you can also ask a third-party organisation (example; the Citizens Advice Bureau <https://www.citizensadvice.org.uk/>) to help you.

Anonymous Complaints

We will review all anonymous complaints and determine if a fact finding process or investigation should be undertaken inline with this policy. This will be determined, based on the subject of the complaint, by either the CEO, COO or Chair of the Trust Board; depending on the subject of the complaint.

Timescales

You must raise the complaint **within three months** of the incident or, where a series of associated incidents have occurred, **within three months of the last of these incidents**. In exceptional circumstances only, we may consider complaints made outside of these timeframes.

Complaints received outside of term time

We will consider complaints made outside of term time to have been received on the first school/academy day after the holiday period; school/academy closures will **not** be counted within the policy timescales.

Scope of this complaints procedure

This procedure covers all complaints about any provision of community facilities or services by HLT and its schools/academies, other than complaints that are dealt with under other statutory procedures, including those listed below.

Table One - Exceptions to the Complaints Policy

Exceptions	Who to contact
Admissions to schools Statutory assessments of Special Educational Needs School/academy reorganisation proposals	Concerns about admissions, statutory assessments of Special Educational Needs or school/academy reorganisation proposals should be handled through a separate process – either through the appeals process (Admissions) or via the local authority (LA) where the school/academy is based (City of York Council, North Yorkshire County Council, Hull City Council or as appropriate i.e. in the event of merger or future academisation).
Matters likely to require a Child Protection Investigation	Complaints about child protection matters are handled under our Safeguarding and Child Protection Policy and in accordance with relevant statutory guidance. If you have serious concerns, you may wish to contact the Local Authority Designated Officer (LADO) who has local responsibility for safeguarding:- City of York Council - 01904 551900

	<p>Hull City Council - 01482 790933 North Yorkshire County Council - 01609 533080</p> <p>(or other appropriate LA designates i.e. in the event of merger or future academisations)</p>
Exclusion of children from school*	<p>Further information about raising concerns about exclusion can be found at www.gov.uk/school-discipline-exclusions/exclusions</p> <p><i>* complaints about the application of the Behaviour Policy can be made through this complaints procedure.</i></p>
Whistleblowing	<p>For all employees, including temporary staff and contractors, our Whistleblowing policy provides information on the submission process.</p> <p>The Secretary of State for Education is the prescribed person for matters relating to education for whistleblowers in education who do not want to raise matters directly with their employer. Referrals can be made via www.education.gov.uk/contactus.</p> <p>Volunteer staff who have concerns should complain through this complaints procedure. You may also be able to complain directly to the appropriate Local Authority or the Department for Education (www.education.gov.uk/contactus), depending on the content of your complaint.</p>
Staff (employee) grievances	<p>All employee complaints from staff will be dealt with under the Trust's Grievance Procedures or equivalent. Further information can be obtained via HR@hslt.academy</p>
Staff (employee) conduct	<p>Complaints about an employee will be dealt with under the Trust's internal Disciplinary Procedures, if appropriate..</p> <p><i>Complainants will not be informed of any disciplinary action taken against a staff member as a result of a complaint. However, the complainant will be notified that the matter is being addressed.</i></p>
Complaints about services provided by other providers who may use school/academy premises or facilities	<p>Providers should have their own complaints procedure to deal with complaints about service. Please contact them directly.</p>

If external or third party organisations/bodies are investigating aspects of the complaint, for example the Police, Local Authority safeguarding team or a tribunal, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations. If this happens, we will inform you of a proposed new timescale.

If a complainant commences legal action against HLT in relation to their complaint, we will consider whether to suspend the complaints procedure until those legal proceedings have been concluded.

Complaint Resolution

At each stage of this procedure, HLT focus is to gain a resolution with the complainant. If appropriate, we will acknowledge the complaint outcome, whether upheld in whole or in part. In addition, we may offer one or more of the following:

- An clear explanation
- An admission that the situation could have been handled differently or better
- An assurance that we will try to ensure the event complained of will not recur
- An explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which corrective actions will be made
- An undertaking to review Trust and/or school/academy policies in light of the complaint
- An apology

Withdrawal of a complaint

If a complainant wants to withdraw their complaint, we will ask them to confirm this in writing.

Stage 1 - Initial Formal Complaint

It is to be hoped that most concerns can be expressed and resolved on an informal basis. However, there will be occasions when individuals are not satisfied with the response to their initial concern.

Complaints should be raised in accordance with [Table One](#) and in written format i.e. email or letter. Complainants should not approach individual school/academy Governors to raise a complaint. Governors do not have power to act on an individual basis or with prior knowledge of a complaint.

Response Timescale(s)

Response Format	Target Response Time (school/academy days exc. closures)
Written response	5 school/academy days

At the conclusion of the fact finding at this stage, the appropriate person handling the complaint will provide a written **response** within **five school/academy days** of the date of receipt of the complaint.

If the school/academy role is unable to meet this deadline, they will provide the complainant with an update and revised response date. If the issue remains unresolved, the next step is to make a formal complaint at stage 2.

All correspondence relating to a complaint will be linked to the appropriate pupil record via the information management system or, as defined, by the Trust COO / CEO.

Stage 2 - Formal Complaints

If the complaint has **not** been resolved during stage 1, the complainant may wish to submit an appeal at stage 2. The complainant must submit the formal complaint within **10 school/academy days** of the stage 1 complaint response.

The basis for the stage 2 complaint must be the **same** concern as raised within stage 1 with a clear reasoning for the stage 2 appeal/submission. This should be submitted as detailed within Table Three.

This should be completed via the [Google form](#) which can also be located on our Trust website (<https://hslt.academy/our-policies/>). An alternative electronic format can be provided upon request by contacting the central team via hello@hslt.academy or 01904 560053. The full postal address for the HLT Head Office is Rawcliffe Drive, Clifton Without, York YO30 6ZS.

The recipient of the complaint (refer to hereafter as '**complaint handler**') will log this with the central team via the Executive Support Manager, or designated colleague, who will assign a reference which must be used on all correspondence.

Response Timescale(s)

Response Format	Target Response Time (school/academy days exc. closures/training days)
Acknowledgment of complaint	5 school/academy days
Formal response	20 school/academy days

The complaint handler will acknowledge receipt of the complaint in writing (either by letter or email) within **five school/academy days** and state the anticipated date of a formal written response which will be within **20 school/academy days** of the receipt of the complaint. If the complaint handler is unable to meet this deadline, they will provide the complainant with an update and revised response date.

Within this response, the complaint handler will seek to clarify the nature of the complaint, ask what remains unresolved and what outcome the complainant would like to see. The complaint handler will carry out the following actions to investigate the complaint satisfactorily:

1. Keep a written record of any meetings / interviews in relation to their investigation.
2. Meet with the complainant, whether face to face or via online meeting to ascertain the full details of their complaint.
3. Meet with the member of staff who handled the stage 1 complaint, establish actions/investigations undertaken and review their outcome correspondence.
4. If applicable, interview individuals relating to the complaint, face to face or via online meeting to gain information or establish a clear basis of the situation relating to the complaint.
5. Review any documentation/information available, which relates to the basis of the complaint.
6. Based on the investigation and information obtained, reach a conclusion; the outcome must clearly state the complaint, findings and substantiation of the conclusion; this must be complete on the document [\(Appendix C\)](#).
7. The outcome report and associated evidence should be submitted to the central team for retention.

Note: The complaint handler may delegate the investigation to another member of the school/academy Senior Leadership Team or a designated Senior Leader from within the Trust.

The response will detail any action taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions the school/academy will take to resolve the complaint.

The complaint handler will advise the complainant of how to escalate their complaint should they remain dissatisfied with the outcome of Stage 2.

The complaint recipient will be responsible for allocating suitable resources to investigate the complaint to ensure a fair and professional process. This may be from within the Trust or externally appointed. The complainant cannot determine the investigating team or process.

Complaints escalated to / about the Trust

If a complaint is escalated to HLT (“the Trust”) or if a complainant wishes to complain directly about the Trust, then the complaint should be sent to the COO to be investigated. As stated within table three.

The COO will write to the complainant acknowledging the complaint within **five school/academy days** of the date that the written request was received. The acknowledgement will confirm that the complaint will now be investigated under **Stage 2** of the complaints procedure and will confirm the date for providing a response to the complainant.

Stage 3 - Formal review of the stage 2 investigation and Outcome

If the complainant is dissatisfied with the outcome at Stage 2 and wishes to take the matter further, they can escalate the complaint to Stage 3 - a panel hearing will be formed. The panel structure will consist of the following based on the original complaint and the specified role of the employee involved:-

Table Four - Stage 3 - Panel Structure

School/academy Staff (not the Headteacher/Principal or Trust Executive team)	Governor (from any Trust LGC) School/academy leadership (exc. related school/academy) Central Trust management or executive team Trustee

The panel members must not be involved in the complaint prior to stage 3. If a panel member is excluded due to their participation at stage 2 of this process, an increase in the remaining panel roles will be required. All panel meetings will be minuted by the appointed governance service; should the governance service be unable to minute the stage 3 panel meeting an appropriately skilled member of the central team or an independent professional minute taker will be appointed.

As one organisation, HLT reserves the right to utilise staff, school/academy, Trust leadership and governors from any of its locations. This is the final stage of the complaints procedure.

A request to escalate to Stage 3 must be made to the Executive Support Manager (hello@hslt.academy) via the Trust head office, within **five school/academy days** of receipt of the Stage 2 response.

The Executive Support Manager will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) within **five school/academy days**. The complaint will then be assigned to the governance service or appointed clerk.

Requests received outside of this timeframe will only be considered if exceptional circumstances can be demonstrated and applied.

If the complainant rejects the offer of three proposed dates, without good reason, the governance service or, where agreed, the appointed clerk will decide when to hold the hearing. It will then proceed in the complainant's absence on the basis of written submissions from both parties.

In exceptional circumstances and upon request of the hearing panel, a witness may be called to support the establishment of the stage 2 process only. If these are a member of staff, a union and / or legal representation. Media representatives are not permitted.	

Complaints about staff conduct will not generally be handled under this complaints procedure. Complainants will be advised that any staff conduct complaints will be considered under staff disciplinary procedures, if appropriate, but outcomes will **not** be shared with them.

Any written material will be circulated to all parties at least **five school/academy days** before the date of the hearing. The panel will not accept, as evidence, recordings of conversations that were obtained covertly and without the

informed consent of all parties being recorded. All documentation provided will be redacted in accordance with the Trust GDPR policy and GDPR UK regulations.

The panel will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from Stage 1 of this procedure. Complaints already investigated at stage 2 of this policy will not be re-investigated unless this is an outcome of the stage 3 hearing.

The hearing will be held in private. Electronic recordings of meetings or conversations will only be permitted on the basis:

- To support the appointed clerk in compiling accurate minutes; recordings will not be shared with the participants and will be deleted upon agreement of the minutes.
- Where the complainant / panel member has a disability or special needs require it.

Prior knowledge and consent of all parties attending must be sought before meetings or conversations take place. Consent will be recorded in any minutes taken.

The panel will consider the complaint and all the evidence presented. The panel can:-

- Uphold the complaint in whole or in part.
- Dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the panel will:

- Decide on the appropriate action to be taken to resolve the complaint.
- Where appropriate, recommend changes to the Trust/school/academy systems or procedures to prevent similar issues in the future.

The Chair of the panel will provide the complainant and the school/academy with a full explanation of their decision and the reason(s) for it, in writing, within **five school/academy days** of the panel hearing. Where appropriate, it will include details of actions the school/academy or Trust will take to resolve the complaint.

The letter to the complainant will include details of how to contact the Education and Skills Funding Agency (ESFA) if they are dissatisfied with the way their complaint has been handled by HLT.

The panel will ensure that those findings and recommendations are sent by electronic mail or otherwise given to the complainant and, where relevant, the person complained about. Furthermore, they will be available for inspection on the school/academy premises by the Headteacher/Principal and the Trust Executive team. A copy will also be retained by the Executive Support Manager for audit and reporting purposes.

A register will be kept of all complaints, and of whether they are resolved at the preliminary stage or proceed to a panel hearing, along with what actions have been taken, regardless of the decision.

All correspondence statements and records relating to individual complaints will be kept confidential, except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

If the complaint is:

- Jointly about the Chair and Vice-Chair or
- The entire Trust Board or
- The majority of the Trust Board

Stage 2 will be investigated by an independent investigating officer. Stage 3 will not apply.

Roles and Responsibilities

This policy defines a clear structure of roles and responsibilities. The roles are key to ensure a structured and efficient process. Details of the roles and responsibilities can be found in [Appendix B](#). Should an appointed individual have a conflict of interest in relation to the investigation i.e. friend of complainant, line manager of staff member detailed in the complaint, must raise this immediately with the complaint handler. In these circumstances, another panel member will be appointed.

Managing Serial and Unreasonable Complaints

HLT are committed to dealing with all complaints fairly and impartially, and to providing a high quality service to those who complain. We will not normally limit the contact complainants have with our schools/academies/central team. However, we do not expect our staff to tolerate unacceptable behaviour and will take action to protect staff from that behaviour, including that which is abusive, offensive or threatening. Our policy for dealing with this type of situation can be found within [Appendix E](#) of this document.

Next Steps

If the complainant believes the school/academy/Trust did not handle their complaint in accordance with the published complaints procedure or they acted unlawfully or unreasonably in the exercise of their duties under education law, they can contact the ESFA after they have completed Stage 3.

The ESFA will not normally reinvestigate the substance of complaints or overturn any decisions made by HLT or any of its schools. They will consider whether HLT has adhered to education legislation and any statutory policies connected with the complaint and whether they have followed [Part 7 of the Education \(Independent School Standards\) Regulations 2014](#).

The complainant can refer their complaint to the Department for Education online at: www.education.gov.uk/contactus, by telephone on: 0370 000 2288 or by writing to:

- Monitor timeline and activities
- Review the investigators completed documentation

Investigator

The investigator's role is to establish the facts relevant to the complaint by:

- The meeting is conducted in an informal manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy

- The remit of the panel is explained to the complainant

- Written material is seen by everyone in attendance, provided it does not breach confidentiality or any individual's rights to privacy under the DPA 2018 or GDPR. If a new issue arises it would be useful to give everyone the opportunity to consider and comment upon it; this may require a short adjournment of the hearing

- The issues are addressed

- They liaise with the Governance Service or Appointed Clerk.

Panel Member

Panel members should be aware that:

- The hearing must be independent and impartial, and should be seen to be so. No Governor / Trustee may sit on the committee if they have had a prior involvement in the complaint or in the circumstances surrounding it.
- The aim of the meeting should be to resolve the complaint and achieve reconciliation between the school/academy and the complainant. We recognise that the complainant might not be satisfied with the outcome if the hearing does not find in their favour. It may only be possible to establish the facts and make recommendations.
- Many complainants will feel nervous and inhibited in a formal setting. Parents / carers often feel emotional when discussing an issue that affects their child.
- Extra care needs to be taken when the complainant is a child / young person and present during all or part of the hearing. Careful consideration of the atmosphere and proceedings should ensure that the child / young person does not feel intimidated.
- The panel should respect the views of the child / young person and give them equal consideration to those of adults.
- If the child / young person is the complainant, the panel should ask in advance if any support is needed to help them present their complaint. Where the child / young person's parent is the complainant, the panel should give the parent the opportunity to say which parts of the meeting, if any, the child / young person needs to attend. However, the parent should be advised that agreement might not always be possible if the parent wishes the child / young person to attend a part of the hearing that the panel considers is not in the child / young person's best interests.
- The welfare of the child / young person is paramount.

Appendix E - Policy for Managing Serial and Unreasonable Complaints

(to be read in conjunction with The Heartwood Learning Trust's Complaints Procedure)

The Heartwood Learning Trust is committed to dealing with all complaints fairly and impartially, and to providing a high quality service to those who complain. We will not normally limit the contact complainants have with our school(s). However, we do not expect our staff to tolerate unacceptable behaviour and will take action to protect staff from that behaviour, including that which is abusive, offensive or threatening.

The Heartwood Learning Trust defines unreasonable behaviour as that which hinders our consideration of complaints because of the frequency or nature of the complainant's contact with the school, such as, if the complainant:

- refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance
- refuses to cooperate with the complaints investigation process
- refuses to accept that certain issues are not within the scope of the complaints procedure
- insists on the complaint being dealt with in ways which are incompatible with the complaints procedure or with good practice
- introduces trivial or irrelevant information which they expect to be taken into account and commented on
- raises large numbers of detailed but unimportant questions, and insists they are fully answered, often immediately and to their own timescales
- makes unjustified complaints about staff who are trying to deal with the issues, and seeks to have them replaced
- changes the basis of the complaint as the investigation proceeds
- repeatedly makes the same complaint (despite previous investigations or responses concluding that the complaint is groundless or has been addressed)
- refuses to accept the findings of the investigation into that complaint where the school's complaint procedure has been fully and properly implemented and completed including referral to the Department for Education
- seeks an unrealistic outcome
- makes excessive demands on school/academy time by frequent, lengthy and complicated contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with
- uses threats to intimidate
- uses abusive, offensive or discriminatory language or violence
- knowingly provides falsified information
- publishes unacceptable information on social media or other public forums.

Complainants should try to limit their communication with the school/academy that relates to their complaint, while the complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, phone, email or text), as it could delay the outcome being reached.

Whenever possible, the Headteacher/Principal or Chair of the Local Governing Committee will discuss any concerns/complaints with the complainant informally before applying an '*unreasonable*' marking.

If the behaviour continues, the Headteacher/Principal will write to the complainant explaining that their behaviour is unreasonable and ask them to change it. For complainants who excessively contact a school/academy within the Heartwood Learning Trust, causing a significant level of disruption, we may specify methods of communication and limit the number of contacts in a communication plan. This will be reviewed after six months.

In response to any serious incident of aggression or violence, we will immediately inform the Police and communicate our actions in writing. This may include barring an individual from the school/academy in question.
